Dept. Zoology,
University of Chicago,
Chicago 37, Illinois.

Dear Dr. Strandkov,

Thank you for your letter of April 30.

I expect Mrs. Lederberg to accompany me on our visit May 21-22.

The title of the talk should be "Genetic Studies on *Escherichia coli*".

I have a few lantern slides that would be relevant, but a projector would not be urgently necessary. Until the 21st then,

Yours sincerely,

Joshua Lederberg
Assistant Professor of Genetics.
